Dear Crazy Quilters,

Well here we are! Still at home, still quilting and enjoying our good weather. Jeff and I have enjoyed working in the gardens and watching our resident bunny hop around the rose beds, too cute! We used to have three but I have only seen one of late, but he/she is a cute one!

I have been making masks as have many of you, there is still a need for masks in our new world and I hope you haven't run out of steam making them. As for the Des Moines Farmers Market goes, I have managed to use some of my stash with the masks but - ya know!..I still have an abundance of fabric - go figure. I have used all the fruits and vegetable fabric CQ donated to me to make for the Des Moines Farmers Market. So far they have received a little over 300 (maybe more...lost count) from you and me and I am still making masks for them, they are selling like hotcakes...all of the masks made for DMFM are donated to them as they are a non- profit and have been crunched this year with the new rules and regs. they are following and a decrease in funding. I have been delivering somewhere between 40 and 60 masks each Saturday, I am now using my floral and juvenile prints to provide a variety for them to sell.

I have not done much quilting because of commitments outside and the masks I am making but I have been formulating a PLAN, hee! When that plan is implemented is still up in the air. I did deliver my CQ Challenge quilt to Sharon so that's done. I did receive a challenge packet back from a member who couldn't get hers done so I will be working on that next along with finishing the binding on several quilt, maybe the next time it rains I will start those.

Because we cancelled the CQ picnic the Executive Board did not meet therefore I don't have anything to report to you. We are still on hold as to when we can meet again and we will keep you informed of any changes.

(cont. on next page)

President's Message Continued.....

It will likely not be this year unless Covid decides to change its course and vanish. Wouldn't that be a fantastic thing. We can only pray!

We have a hefty stash of fabric in our storage unit, if you have any questions please contact Sharon Meeds. Our goal is to use up what we have or a good portion of it before we accept any more donations and with us not meeting we have less chance to plan projects to use our fabric. We also have a number of quilts just waiting to be finished -- they have backing and batting with them. They are all sizes. If you would like to finish one (there probably isn't binding), please contact Sharon to work out what you'd like.

I am sorry we were not able to meet for the picnic, the gardens looked fabulous and I would have loved to share that with all of you. We will not have a meeting in the gardens this year. We will see about next year but keep in mind I will be 75 then and this year was tough enough. Old bones, bad back and a tremendous amount of work to get things looking good...we will see!

I wish you all well, good health and a happy and productive month.

Happy Quilting,
Kathy

Because of the Coronavirus, the June retreat has been canceled. We will have to see what's going on in September, but I don't anticipate that things will be much better. Maybe by November. The 2021 retreats are reserved, and with any luck by March we'll be able to get back together.

The retreat schedule for 2020 is September 25 – 28 maybe November 9 – 12 maybe
